Hegel

1) Why Hegel?
   a) Most prominent Continental Philosopher of the 19th Century.
   b) Profoundly influenced by Kant.
   c) Pivotal philosopher between Kant and Marx.

2) Phenomenology – the study of appearances
   Phenomenology of Mind – Hegel's most famous work.

3) Kant's Antinomy – as objects of science we are causally determined. As moral beings we are free. How does Kant/Hegel explain this?

4) Hegel wanted to connect Kant to a political reality.

5) According to Hegel philosophy is fundamentally historical. What is history? History is an intelligible process moving toward the realization of human freedom.

6) Philosophy should seek to discover the rational within the real.

7) Hegel is interested in a principle of development.

8) The purpose of revolutions.
